

INDIAN INTERNATIONAL MUN PATNA CHAPTER 2018

Greetings on behalf of Indian International Model United Nations!

About IIMUN:

Indian International Model United Nations is a youth run organization, which organizes MUN conferences for students across 108 cities in India with the support of United Nations & Government of India. An MUN is an academic simulation of United Nations where students act as diplomats and discuss various international affairs and try to come up with solutions to them. We not only simulate UN but also Indian Parliament, in order to make our youth aware about issues in our nation. The solutions are then sent to our government and the UN to let them know about the students' opinions on the current international, national or local topics discussed by them.
